ST. CLOUD STATE UNIVERSITY
A tradition of excellence and opportunity

WELCOME TO SUMMER SESSIONS 2005 AT ST. CLOUD STATE UNIVERSITY

From the Dean...

It is a pleasure to welcome you to the many summer educational opportunities at St. Cloud State University. Summer is a time to grow and SCSU will offer you numerous opportunities for growth as you pursue your educational goals.

Summer sessions offer something for everyone. Many of the regular courses are offered during the University's two five-week summer sessions. In addition, there are a wide range of short courses, workshops, field experiences, institutes, and tours developed especially for summer sessions. There are even a number of evening courses for those who find it more convenient to take a class in the evening. You may want to note the summer schedule includes an intersession which will run from May 23 to June 10. During the intersession a number of courses, workshops, and other innovative educational experiences will be available.

The summer sessions at St. Cloud State University will provide you with opportunities to:

- enroll in classes you were not able to take during the regular academic year to catch up, stay on schedule, or graduate earlier
- enroll in a class that may have been filled during the fall or spring semester
- enroll in a class to update and enhance your professional skills
- earn credits that will transfer to other universities
- take a class in an environment in which classes are often smaller and less formal

Dr. Dennis Nunes

REGISTRATION INFORMATION FOR ADMITTED STUDENTS

Registration Details

At St. Cloud State University enrollment requests may be processed by accessing the Online Registration and Student Information System (www.stcloudstate.edu/registeronline). Before attempting to register, read all instructions regarding academic and procedural requirements. The Office of Records and Registration personnel will answer registration procedure questions on the HELP line, 320.308.3936, or through e-mail via registrationhelpdesk@stcloudstate.edu.

Select desired classes for the term. The undergraduate bulletin and general education checklist are helpful when selecting required classes for undergraduate programs. The graduate bulletin, graduate coordinators, or the School of Graduate Studies, located in AS 121, should be consulted for graduate program requirements.

Undergraduates currently enrolled in day classes and wishing to advance register for the next term must see their academic adviser if not yet admitted to a major program. Students are expected to make an appointment to see their adviser at least one day before their earliest assigned time to register. Advisers will have the registration access code and are assigned to assist in the selection of courses, but the ultimate responsibility rests with the student.

Undergraduate students with 80 or more earned semester credits must be formally admitted to an academic major program to access online registration during the advance registration period. Formal admission requirements may vary according to academic program. Check with the specific academic department for admission procedures.

Check the registration schedule on page 17 for registration times. Registration is permitted any time after the published time.

All financial, academic, and other holds must be cleared before attempting to add or drop classes. Since it may take up to three working days for holds to be removed, it is important that all financial obligations are paid as soon as they become due. A

late payment will mean a delay in accessing online registration.

Students will be held responsible for all transactions and adjustments made to their class schedules using online registration and all financial and academic consequences that result from that schedule.

REGISTRATION INFORMATION

What you need to know—from A to Z

Adding classes

Registration is governed by priority and credit hours completed. You may add (register) anytime AFTER your earliest scheduled registration time. All adds after May 24 for intersession, June 15 for first summer term, or July 20 for second summer term must be approved by the department through which the course is offered.

Advising pre-business students

To obtain their access codes, pre-business students must meet with a pre-business adviser in the Business Building, room 122, before they register for classes. Advisers are available 8:00 a.m. to 4:00 p.m.

Arranged and independent study classes

Arranged classes (not regularly scheduled) and independent study classes require a form signed by the instructor of the class and the chairperson of the department. Forms are available online at www.stcloudstate.edu/registrar/registration or in the Administrative Services Building, room 118. If you wish to register for a 300- or 400- level class at the graduate level, the signature of the Dean of Graduate Studies is required on the arranged course form. Completed forms must be returned to AS 118 for processing.

Auditing of classes

A student who wishes to attend the class sessions of a course but does not wish to receive credit for it must register as an auditor. The same registration procedure is followed and the same fees charged as for credit courses. Auditors must attend class but the taking of quizzes and examinations is optional. Auditors who fail to meet the attendance requirements may receive a mark of U (unsatisfactory) rather than a mark of AU (auditor). Courses audited cannot be counted toward graduation requirements. Courses audited are counted as part of the student load. The audit option must be designated at the time of registration for the course.

Change of address

You may update or change your address online by accessing the online registration system – www.stcloudstate.edu/registrar. Click on the Register Online Web Site link. Student ID and pin number are required. Addresses may only be changed once per day.

Common Market Program

Students enrolled at Minnesota's six state universities may register to take SCSU summer session classes through the Common Market Program. To access this opportunity interested students should visit their campus's registration office.

Complete a Common Market Passport form with your registrar, identifying the classes you wish to take at SCSU. Your registrar will then mail the completed form and a copy of your transcript to the registration office at SCSU. The SCSU registrar will register you, if available, for the courses you have requested. If an SCSU course is restricted, the visiting student is responsible to seek permission from the instructor to access the course. Written confirmation of your registration will be sent to you and to your home institution.

Your financial aid and GI Bill benefits will follow you to SCSU for the summer. The credits you earn at SCSU will appear on your home institution's transcript and are considered resident credits. As a Common Market student, all SCSU campus and housing services are available to you.

To qualify for the Common Market Program, you must be an undergraduate pursuing a degree, have at least a 2.0 GPA, and must have attended your home university for two semesters/30 credits.

Co-requisites

Co-requisites are courses that must be taken during the same semester. Some courses may require a co-requisite class section. For example, some courses require both a lecture and lab component.

Dropping classes

Courses dropped BEFORE May 25 for intersession, BEFORE June 16 for first summer term, or BEFORE July 21 for second summer term will not appear on the transcript. Courses dropped May 25-June 1 for intersession, June 16-June 28 for first summer term or July 21-August 2 for second summer term will appear on the transcript with a grade of W (withdrawal). See calendar for additional dates.

Final examination

Final examination times are announced in class by the instructor.

Grades

Access to grades is available through the Online Student Registration System. Go to www.stcloudstate.edu/registrar. Click on "Register Online Web Site." SCSU ID and PIN number are required.

Grade reports are not mailed. If you need official printed verification of your grades, you will need to order an official transcript. Transcript forms are available at www.stcloudstate.edu/registrar or in the Office of Records and Registration, AS 118.

Grade Point Average (GPA)

A student's grade point average is a numerical ratio of the total credits attempted and the total grade points received. The method of computing GPA is to multiply the credit hours a class is worth (4-credit class, 3-credit class, 2-credit class, 1-credit class) by the GPA (honor) points for the grade received.

GPA points:

A+ = 4.00	A = 4.00	A- = 3.67
B+ = 3.33	B = 3.00	B- = 2.67
C+ = 2.33	C = 2.00	C- = 1.37
D+ = 1.33	D = 1.00	D- = .0.67
	F = 0	
	FN = 0	

For example, add the number of credits for the classes in which an A+ or A was received and multiply by 4; add the number or credits for the class in which an A- was received and multiply by 3.67; add the number of credits for the classes in which a B+ was received and multiply by 3.33, etc. When a mark of F is earned, the credit hours attempted are included in the computation of a grade point average. Courses in which the mark of S or U is given are not included in the computation of grade point average. Divide the total GPA (honor) points received by the total credit hours.

REGISTRATION INFORMATION

Grading System

The following marks are used in reporting the achievement of students at this institution: A (excellent), B (good), C (acceptable), and D, F, and FN. A grade of FN is a failure for non-attendance and affects the student's GPA in the same way as a grade of F. Grades of S (satisfactory), and U (unsatisfactory) are used for certain specialized courses in which a more precise mark is not deemed appropriate. Other non-credit marks which are recorded on official transcripts include: I (incomplete), AU (audit), W (withdrawn), and IP (in progress).

Holds

All financial, academic and other holds must be cleared before attempting to register for classes. Since it may take up to three working days for holds to be removed, it is important that all financial obligations are paid as soon as they become due. A late payment will mean a delay in accessing online registration.

Immunization requirement

The Minnesota Statute (MS 135.A14) requires students attending any school in Minnesota to show proof of immunity to measles, mumps, rubella, diphtheria, and tetanus. An online immunization form is available at www5.stcloudstate.edu/HeathServices/Immunization/login.asp. Failure to turn in an immunization record will result in a registration hold for any subsequent terms.

Independent Study

Independent study courses are designed for students who want to supplement their on-campus course work with self-paced independent study. Many students take independent study courses to: take classes while away from campus, ease scheduling problems, take a course that is full on campus, and fulfill graduation requirements.

Major Students Only

To enroll in courses listed as **MAJOR STUDENTS ONLY**, you must be officially admitted to a **major** in that department.

Mathematics placement test

Students must complete a department placement test with a satisfactory score before registering for the following entry level mathematics and statistics courses:

STAT 193, 219, 229, 319 and MATH 070, 072, 112, 113, 115, 171, 193, 196, 211, 221.

1. Students who have tested at SCSU within the past year or successfully completed prerequisite courses need not retake the test.
2. Transfer students who wish to be exempt from SCSU testing must provide to the Department of Mathematics evidence of placement testing or completion of prerequisite courses. A copy of the SCSU transfer evaluation worksheet, previous placement test results or transcripts from another college (including social security number or SCSU ID number) should be delivered to ECC 139 or faxed to 320.308.4269.

Transfer documentation is valid for one year. **CAUTION:** Materials sent to the Office of Records and Registration will not

provide exemption.

For more information, testing schedule and sample questions, visit www.stcloudstate.edu/mathplacement or call the Mathematics Department at 320.308.3001.

Misuse of the registration system

It is misuse of the registration system for a student to (1) register for a class or multiple sections of a class with the intent to save the class for another student; or (2) register for multiple sections of the same class with the intent to decide at a later date which section to attend. Students who misuse the registration system will be subject to reduced registration privileges, ranging from the loss of the right to advance register to the deletion of registered courses. **Multiple registrations for the same class will be deleted.** The student is also subject to possible disciplinary action taken by the university. The student who adds a "saved" class will also be subject to the actions listed above.

Unauthorized use of the registration system may result in criminal prosecution. A student who tampers or attempts to tamper with the registration of another student may be subject to disciplinary action and/or criminal prosecution.

Online Registration and Student Information System

The Online Registration and Student Information System is a Web-based system which may be used to confirm an assigned registration time, add and drop classes, search for open classes, view a class schedule, and check for grades and holds. The system may be accessed through the SCSU Home Page (www.stcloudstate.edu) Registration Link or at www.stcloudstate.edu/registrar. Click on "Register Online Web Site." See the Online Registration Guide on page 18 for complete instructions.

Permission required courses

Before registering for classes listed as permission required, students must ask the academic department for pre-authorization. In most departments a student should contact the department support person listed in the inside back cover of this bulletin. After the academic department support person has processed the pre-authorization request, students must then register for the class using online registration.

Personal ID Number (PIN)

When a person is new to SCSU, his/her PIN is set to his/her birth date in year, month and day order (yyymmdd). After entering the system for the first time, each person is required to change his/her PIN to a new six-digit number. When choosing your own personal pin number, please choose a number that does not begin or end with zero, is not your birthdate, and uses all six digits. Do not use repetitive (111111) or sequential (123456) numbers. This new PIN will be used every time the system is entered thereafter. If a PIN is forgotten, individuals may contact the Student Registration Helpdesk at 320.308.3936 or e-mail registrationhelpdesk@stcloudstate.edu for assistance.

REGISTRATION INFORMATION

Pre-professional skills test (PPST)

Students must have completed the PPST to register for upper division (300-400 level) classes designed specifically for teacher education programs. Students admitted to a non-teaching major must contact the Dean's Office, College of Education, Education Building A110, if they wish to enroll in classes that require the PPST. Call 320.308.3023.

Pre-Requisites

Check the undergraduate or graduate bulletin to see if a class has a pre-requisite. Pre-requisites are not listed in this schedule.

Priority registration

Priority registration is granted for the following groups of students: students with disabilities, students who have earned a baccalaureate degree from SCSU, students admitted to graduate level programs, undergraduate degree candidates who have requested EVENING STUDENT PRIORITY and students admitted to the honors program in good standing with 12 SCSU semester credits completed. Students in the above groups may register at the priority time indicated on the registration schedule or anytime thereafter. If students with disabilities need assistance with registration, please contact the Office of Records and Registration, Administrative Services Building, room 118, 320.308.3936.

Registration access code

If you are an undergraduate student currently enrolled in day classes and not yet officially admitted to a major, you must obtain a six-digit access code from your adviser before you attempt to register. The access code is used only once for each term and is not required for summer semester registration after April 1, 2005.

Technical difficulty

If you experience difficulty in accessing the online registration system, please report the problem to the HELP line at 320.308.3936.

Double Counting: A student may count a course for credit in the general education program and in the major/minor if the course is a requirement for that major/minor. The credits count only once towards graduation.

Waivers: If a student takes six credits in a department which are not general education courses, the student may waive three credits of general education in that same department. In foreign languages, nine upper division credits may waive six. This does not reduce the total credits required for graduation.

CHECK WITH THE INDIVIDUAL DEPARTMENT. NOT ALL DEPARTMENTS ALLOW WAIVERS AND DOUBLE COUNTING.

NOTE: Some majors require particular general education classes. See the department for information.

III. UNIVERSITY REQUIREMENTS

Diversity: Each student must complete three courses designated Diversity. Students may take no more than one course from any one department in the completion of their Diversity designated courses. See undergraduate bulletin for a list of currently approved courses. **

Physical Education: Each student must complete a one-credit course in wellness and fitness (PESS 122). See the description in the Bulletin or contact the Department of Health, Physical Education, Recreation and Sport Science, HaH 227, 320.308.2155.

MINNESOTA TRANSFER CURRICULUM

The Minnesota Transfer Curriculum at SCSU

General information

SCSU accepts the completed Minnesota Transfer Curriculum as fulfilling all lower division General Education requirements. We also provide an opportunity for students who wish to transfer to complete the Minnesota Transfer Curriculum here at SCSU. This curriculum is designed primarily for students who wish to transfer from SCSU to another Minnesota institution which accepts the MTC. Students who transfer to SCSU with a partially completed curriculum should see the note below. The SCSU MN Transfer Curriculum is a slightly modified version of the standard SCSU General Education program. The courses listed here may change. The list will be updated periodically. See the Office of Academic Affairs, AS 209, for the most current list.

Diversity courses are underlined and in bold.

* Laboratory course

Note: All programs must fulfill all ten goals and must total at least 40 credits.

For students who have completed part of the MTC and then transfer to SCSU:

1. Students are not required to repeat any goals they have already fulfilled and will be allowed to select from the preceding courses to complete the ten MTC competencies (goals). Transfer students may also elect to complete the broader SCSU General Education Program. See the Advising Center for assistance in deciding which program to complete.
2. Students must have completed or must complete at SCSU the equivalent of all University requirements. These currently include three Diversity courses, one of which must be a Racial Issues course taken during the first year of enrollment, and a one-credit physical education course (PESS 122) based on concepts of wellness and/or fitness. Completion of the MTC at SCSU does not exempt students from these requirements. NOTE: Students who transfer to SCSU with the MTC completed are not subject to the Racial Issues/Diversity requirement, though they remain subject to the Wellness/Fitness requirement.
3. A student's combined transfer and SCSU general education/MTC courses must equal at least 40 credits.

REGISTRATION INFORMATION

When do I register?

Registration times at SCSU are based on your status as a priority student or on the number of earned semester credit hours recorded on your SCSU transcript.

Priority Registration

Priority registration is granted for the following groups of students:

- students with disabilities,
- students who have earned a baccalaureate degree from SCSU,
- students admitted to graduate level programs,
- undergraduate degree candidates who have requested EVENING STUDENT PRIORITY and

- Priority student registration time is based on the last two digits of your social security number.
- Remaining admitted student registration time is determined by the number of earned semester credits you have completed.

Earned Credit Registration

Semester credits that are completed and have an assigned grade are used to determine priority or eligibility to access online registration during advance registration.

- "Completed" is defined as passing grades or transfer credits officially posted to your SCSU academic record.
- Your earned semester credits do NOT include credits in which you are currently enrolled.
- You may register at any time after your scheduled registration window opens.

Special Student Registration

Special student registration begins April 1. See additional information about special student status on page 8.

- Non-admitted student (special student) registration is according to the last two digits of your social security number.
- You may register at any time after your scheduled registration window opens.

Getting Ready to Register

- Identify courses from the summer sessions schedule that you would like to take.
- Select alternate courses in case your first choice is not available.
- See your academic adviser to discuss your schedule and, if necessary, to get your registration access code to register.
- Make sure that you have both your student ID number and PIN available as you will need both to access the online registration system.
- Access the online registration system at www.stcloudstate.edu/registrar to register for your classes. Click on "Register Online Web Site."

After You Register

- No deposit is required to register for classes, but you must pay tuition and fees by the deadline date to avoid registration holds and the possible cancellation of future registrations.
- You may adjust or change your schedule at any time during the official registration periods.
- Keep in mind that dropping classes after the dates indicated in the calendar could result in a W for the course and you may not receive a full refund.

Hello Dolly

JUNE 14-18 and JUNE 21-25

Opening the 2005 season will be Hello Dolly, the smash Broadway hit about the larger-than-life matchmaker, Dolly Levi, one of the most fabulous characters on the musical stage. This is an irresistible story about love—both young and middle-aged—and the joy of living. It tells the story of Dolly's efforts to marry Horace Vandergelder, the well-known half-a-millionaire, and her attempts to create happy matches among the lively young romantics who populate the city of Yonkers and the sidewalks of New York. Along the way we are treated to great music and energetic dancing, including, of course, the title song, one of the biggest hits in the history of American musical comedy.

Sisters of Swing

JUNE 28 - JULY 2 and JULY 5-9

This is a new musical based on the lives of the famous singing Andrews Sisters, a trio of Minnesota natives whose hit songs topped the Hit Parade during World War II. Born in the Twin Cities, the Andrews Sisters won a talent contest at the Orpheum Theatre in Minneapolis and went on to national stardom, recording such unforgettable hits as "Boogie Woogie Bugle Boy," "Don't Sit Under the Apple Tree," and "Beer Barrel Polka." They were also known for their recordings with Bing Crosby and their films with the comedy team of Abbott and Costello. Sisters of Swing tells their story, and features all their greatest hits, sung in the mellow three-part harmony for which they became famous.

The Diary of Anne Frank JULY 12-16 and JULY 19-23

Theatre L'Homme Dieu is proud to present the classic family drama, The Diary of Anne Frank. This Pulitzer Prize-winning play tells the true story of Anne Frank, a thirteen-year-old German-Jewish girl who, with her family, was forced to hide for 25 months in an attic in Amsterdam in order to escape persecution by the Nazis. The play, and the book upon which it is based, are drawn from Anne's diary, which she kept faithfully and lovingly during those months, and which was recovered from the attic after the Frank family was finally discovered and sent to a German concentration camp in 1945. This is the inspiring and life-affirming story of a girl who, despite her situation, was able to write: "I still believe, in spite of everything, that people are really good at heart." Time Magazine named Anne Frank and one of the 100 most influential people of the 20th Century. This is a tender and touching play about family and about hope.

You're A Good Man Charlie Brown JULY 26-30 and AUGUST 2-6

Finally, the 2005 season will end with the great Charles Schultz' celebration of childhood, You're A Good Man Charlie Brown. This Broadway hit features all your Peanuts favorites: Lucy, Linus, Schroeder, Sally, the faithful Snoopy, and of course good old Charlie Brown. You'll follow them through the joys and dilemmas of their lives—lunchtime, baseball, and Beethoven Day—and you'll hear a score filled with delightful songs. Linus sings "My Blanket and Me," Lucy sings "The Doctor Is In," Snoopy sings a serenade to "Suppertime," and the whole gang joins together to sing "Happiness Is...." This is truly great musical fun for the whole family.

Theatre L'Homme Dieu is a professional summer theatre directed by the Alexandria-St. Cloud State University Performing Arts Foundation. The theatre is a credit-generating program for SCSU. The student company consists of at least twenty students each summer. AT TLHD students learn practical theatre skills in all areas: learning to construct sets, hand lights and build costumes for professional designers, as well as acting in productions with professional actors and designers.
